

Halder Consulting, Incorporated (HCI)

Access JumpStart (AJS) software license

Licensing is offered on a per-seat basis. Each Developer must have their own license to use this product. After purchasing a license for this software, you are entitled to distribute the AJS objects within your applications royalty free. Please note however, that your end-users do not and will not inherit any rights to develop their own applications using the AJS objects in any shape or form

LICENSE

This is a legal agreement between you (either an individual or an entity), the end user, and Halder Consulting, Incorporated (HCI) regarding the use of the software accompanying this agreement.

By installing, copying, or otherwise using the software, you agree to be bound by the terms of this Agreement. If you do not agree to the terms of this Agreement, do not install or use the software.

TERM

This License is effective until terminated. You may terminate it at any time by destroying the software, together with all copies thereof. This License will also terminate if you fail to comply with any term or condition of this Agreement.

Upon such termination, you agree to destroy the Software together with all copies thereof.

COPYRIGHT / OWNERSHIP

This software and its source code are proprietary products of Halder Consulting, Incorporated and are protected by copyright and other intellectual property laws. The software is licensed and not sold. You acquire only the right to use the software and do not acquire any rights, express or implied, in the software other than those specified in this License.

Copyright © 2020 Halder Consulting, Incorporated. All rights reserved.

LIMITATION OF LIABILITY

This software is provided "as-is," without any express or implied warranty. In no event shall the author be held liable for any consequential, incidental, direct, indirect, special, punitive, or other damages arising from the use of this software (including without limitation, damages for loss of business profits, business interruption, loss of information or other pecuniary loss).

The user assumes the entire risk of using the software.

SUPPORT AND UPGRADES

The AJS product is subscription based and you are required to maintain a subscription in order to receive:

- Product update releases & bug fixes
- E-mail product support (typical response time is 1 day)
